Junior Web Developer

agung saputra

Full-Stack Web Developer

Bandar Lampung, Lampung, Indonesia

Summary

Innovative Computer Engineering graduate with a fervent passion for staying at the forefront of technological advancements. Certified in programming and web development, I have hands-on experience as a Full Stack Developer, crafting dynamic CRM solutions and captivating e-commerce platforms. Proficient in the art of full-stack development, I wield HTML, CSS, JavaScript, PHP, CodeIgniter, and Laravel to bring digital visions to life. Armed with an unwavering commitment to excellence, I thrive on delivering optimal outcomes. Ready to leverage my expertise as a Web Developer to conquer novel challenges

Experience
